Summary

As a Digital Performance Director at Ecommerce Business Consultancy, I help clients grow their online presence and revenue through effective digital marketing strategies and campaigns. I have over 20 years of experience in various sectors, including e-commerce, education, electronics, and IT, where I have developed and executed successful marketing plans, managed key accounts, and optimized performance metrics.

I am also an independent affiliate for Amazon's Global Selling Program, where I leverage my expertise in private label, PPC, branding, and communication to create and promote profitable products on the platform. I hold multiple certifications from Amazon, as well as an advanced certificate in digital marketing and communication from MICA. I am passionate about learning new skills, tools, and trends in the digital space, and sharing my knowledge and insights with others. My goal is to help businesses and brands scale and thrive in the competitive and dynamic online market.
