PROFESSIONAL EXPERIENCE

Amazon Product Manager

Jan 2025 – Present

Sound Around Inc. (USA) · formerly titled eCommerce Sales Manager

Remote

- Manage a 1,100+ ASIN portfolio across Vendor Central, dropship, and Seller Central channels for NutriChef, Pyle, SereneLife, Pure Clean, and Lanzar; partner directly with Amazon's AVS Account Manager and Vendor Managers on business planning, escalations, and growth initiatives.
- Resolved 80% of critical ASIN escalations within a 24-hour SLA through Vendor Central cases, Vendor Manager escalations, and AVS channels, clearing listing suppressions, variation errors, content updates, and policy compliance issues to protect customer experience and revenue continuity.
- Identified a new growth opportunity and executed an end-to-end plan generating $350K+ in monthly sales and accelerating liquidation of $20M+ in aged inventory ($12M at 365+ days, $8M at 180+ days; 30% of total inventory) through coordinated pricing, promotions, and merchandising; recognized by the Board of Directors and Director of eCommerce for this work.
- Lead promotional planning across Best Deals, Lightning Deals, Prime Exclusive Deals, VPC, coupons, and Price Discounts for Prime Day and BFCM; own promo funding decisions and ASIN selection for deals.
- Negotiate with Amazon Vendor Managers on annual terms, co-op, margin, and chargebacks, and own supplier, freight, and 3PL commercial discussions.

- Deliver weekly business plans to founders and leadership covering SKU-level actions, wins and impact, open blockers, decisions needed, and next-week priorities; advertising and listing-quality recommendations adopted by leadership.
- Own ongoing metrics and KPI dashboards built on Amazon Retail Analytics (ARA) data, tracking revenue, ROAS, TACOS, conversion, and inventory velocity, to drive key business decisions.
- Direct a $40K+/month advertising budget across Sponsored Products, Brands, and Display with Perpetua AI bidding, delivering 3x ROAS with TACOS below 10% through analysis of campaign performance drivers.
- Drive catalog optimization across the portfolio, including A+ content, variation fixes, image and title updates, browse node corrections, and bulk flat-file uploads, tracking conversion and traffic impact at ASIN level.
- Act as product-information owner for the reviews, returns, and NCX team across the portfolio, sourcing compliance documents and manufacturing data to resolve customer issues, contributing to lower return rates and improved ratings.
- Built a Google Sheets vendor cost analysis and repricing dashboard that pulls API data across the SKU portfolio and systematizes pricing actions; build internal reporting and ASIN diagnostic tools on SP-API and Ads API using Claude Code and Claude Cowork.
- Authored SOPs and playbooks for inventory clearance, campaign guardrails, and promotional timing, adopted across the multi-brand portfolio; mentor two direct reports.
